MEMORANDUM FOR: Director of Central Intelligence

25X1A

SUBJECT : CIA Contracting for ██████████ and ██████████

25X1A

1. At your recent meeting with Secretary McNamara, you agreed that you would be willing to proceed with the covert contracting on ██████████ and ██████████ and similar projects but that this would have to be checked out with Mr. Campbell of the GAO. After the meeting you suggested that we hold up making an appointment with Mr. Campbell for a few days.

2. The NRO is pressing us on this problem as they rather urgently would like to divest themselves of this contract responsibility. Would you like us to take the initiative to arrange a meeting between yourself, Mr. Campbell and Dr. Charyk, or should Mr. Houston handle this directly?
